

Privacy policy for Froschprog app stored in Google Playstore

The developer (Froschprog) and proprietor (Froschprog) of the present application certifies that when using one of their apps:

1. No data is uploaded to any server. App data is stored locally on your device.
2. There is no link to any third-party server. In particular, the app creates no link to any add server.
3. When entering any personal data in the app (your name, weight, size...), this information is stored only locally and not sent to any server either of the developer or third-party.
4. In summary: no personal data is collected for external use.
5. Deleting the application of your device will erase all data permanently.
6. The following applications need the following authorisations:
 - a. ToDoPlus: Notifications are needed and Automatic start may be needed depending on your device and Android version. For reminders to be displayed.
 - b. TonTraining: no authorisations.
 - c. TonGPS: Localisation: to determine the position of the device.
7. If you find any security vulnerability that has been inadvertently caused by me, or have any question regarding how the app protects your privacy, please send me an email, and I will surely try to fix it/help you: froschprog@gmail.com
